

ALABAMA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT

In The Matter Of:

ECLECTIC CLEANERS

Eclectic, Elmore County, Alabama

CONSENT ORDER NO. 99-083-CAP

FINDINGS

Pursuant to the provisions of the Alabama Environmental Management Act, §§22-22A-1 through 22-22A-16, Code of Alabama (1975), as amended, the Alabama Air Pollution Control Act, §§22-28-1 through 22-28-23, Code of Alabama (1975), as amended, and the ADEM Administrative Code of Regulations ("ADEM Admin. Code R.") promulgated pursuant thereto, and without the adjudication of any issues of fact or law and upon the consent of the parties concerned hereto, the Alabama Department of Environmental Management (hereinafter, "the Department") makes the following FINDINGS:

1. Eclectic Dry Cleaners is the owner and /or operator of a perchloroethylene dry cleaning facility located at 80 Main Street, Eclectic, Elmore County, Alabama which utilizes one dry-to-dry machine.
2. The Alabama Department of Environmental Management is a duly constituted agency of the State of Alabama pursuant to §§22-22A-1 through 22-22A-16, Code of Alabama (1975), as amended.
3. Pursuant to §22-22A-4(n), Code of Alabama (1975), as amended, the Department is the state air pollution control agency for purposes of the federal Clean Air Act, 42 U.S.C. 7401 through 7671q, as amended. In addition, the Department is authorized to administer and enforce the provision of the Alabama Air Pollution Control Act, §§22-28-1 through 22-28-23, Code of Alabama (1975), as amended.

§§22-28-1 through 22-28-23, Code of Alabama (1975), as amended.

4. Pursuant to ADEM Admin. Code R. 335-3-11-.06 (12), the Department has incorporated by reference the National Emission Standard for Hazardous Air Pollutants (NESHAP), 40 CFR Part 63, Subpart M, for perchloroethylene dry cleaners, thereby making said standard applicable to dry cleaners in Alabama.
5. Pursuant to Subpart M, 40 CFR § 63.320 (c), each dry cleaning system that commenced construction or reconstruction before December 9, 1991 and each new transfer machine system and its ancillary equipment that commenced construction or reconstruction on or after December 9, 1991 and before September 22, 1993, shall comply with 40 CFR §§ 63.322 (c), (d), (i), (j), (k), (l), and (m), 63.323 (d), and 63.324 (a), (b), (d) (1), (d)(2), (d)(3), (d)(4), and (e) beginning on December 20, 1993, and shall comply with other provisions of this Subpart M by September 23, 1996.
6. Pursuant to Subpart M, 40 CFR § 63.322 (a)(1), the owner or operator of each existing dry cleaning system and of each new transfer machine system and its ancillary equipment installed between December 9, 1991 and September 22, 1993 shall route the air-perchloroethylene gas-vapor stream contained within each dry cleaning machine through a refrigerated condenser or an equivalent control device.
7. Existing large area sources were required to install a refrigerated condenser or an equivalent control device on previously uncontrolled dry cleaning machines by September 23, 1996.

8. Eclectic Cleaners' annual perchloroethylene consumption is greater than 200 gallons per year; therefore it is classified as a "large area source" under the federal NESHAP, Subpart M.
9. On September 4, 1998, Ms. Carolyn Sparks, the Owner, stated in a telephone conversation that the dry cleaning machine was not equipped with a refrigerated condenser.
10. On October 23, 1998, a Notice of Violation was issued citing Eclectic Cleaners' failure to install a refrigerated condenser on their existing dry-to-dry dry cleaning machine by September 23, 1996.
11. On November 6, 1998, a response to the October 23, 1998 Notice of Violation was received.
12. Eclectic Cleaners neither admits nor denies the Findings contained in this Consent Order. However, in an effort to cooperate with the Department and to resolve the allegations cited above, Eclectic Cleaners consents to the terms of this Order.
13. The Department agrees to this Order upon a determination that the terms contained herein are in the best interests of the citizens of the State of Alabama in resolving the cited allegations.

F. That Eclectic Cleaners is not relieved from any liability if it fails to comply with any provision of this Consent Order.

G. I. By agreement of the parties, this Order shall be considered final and effective immediately upon execution by the Director. This Consent Order shall not be appealable, and Eclectic Cleaners does hereby waive any hearing on the terms and conditions contained herein.
